D'ANNUNZIO, D'ANNUNZIO...

How can you describe the Vittoriale? It is the most famous and iconic place on Lake Garda. A historic house museum where everything bears witness to the adventurous life of the poet and writer Gabriele D'Annunzio. A visit that never ends: every time you go, you discover new details and experience new emotions.

Be captivated by the beauty of art. Visit museums, picture galleries, churches, historical residences and discover a new and fascinating lake

THE BIG IN THE SMALL

There are many works of art in beautiful "minor" museums. The towers, a castle, the village with period houses and the "bourgeois" Casa del Podestà, in Lonato del Garda. Admire 17th-century Venetian paintings by Tiepolo and Bellini in a fascinating visit to the Martes Museum in Calvagese della Riviera. Then you have the MuSa museum, recounting the thousand-year history of the city of Salò.

Magical Sirmione, with the Grotte di Catullo and the Romanesque church of San Pietro in Mavino. Salò, with the splendid crucifix by Giovanni Teutonico, housed in the Duomo. Desenzano, with the world's oldest plough, on display in the Rambotti Museum.

FROM ART TO ART

Art placed right in the middle of nature (another wonder of creation) with works by Rodin, Haring, Lichtenstein and many others in the André Heller Botanical Garden in Gardone Riviera. Get around and explore to discover the thousand beauties of Garda
